

Presents
Certified Master Trainer:
Emma Girard, Psy.D.
RIVERSIDE, CALIFORNIA

April 30th- May 4th, 2018

40 hour PCIT Workshop
Riverside, California

Initial Therapist Training

Dr. Girard brings humor, energy and a sense of fun while adhering to the PCIT International training requirements. Her teaching style incorporates hands on learning and interactive exercises to help the trainee master PCIT techniques in coaching, coding and implementing PCIT with fidelity. Therapists who successfully complete the training and consultation will be eligible to apply for PCIT certification.

PCIT Initial Therapist Training includes:

- 40-hour workshop with didactic, case review, and experiential components
- Focus on active practice of skills and competency check-offs provided
- Twice a month for 12 months group clinical case consultation calls to discuss cases from pre-treatment assessment and CDI through PDI post-treatment and graduation
- PCIT Protocol Manual (Eyberg & Funderburk, 2011)
- Current Manual of the Dyadic Parent-Child Interaction Coding System (DPICS)
- Review of 4 video-recorded therapy sessions: CDI Teach, CDI 1, PDI Teach & PDI 1
- Written and live feedback on therapists' progress

Training Costs:

\$4,500 Initial Therapist Training
